Item 3. Source and Amount of Funds or Other Consideration.

The Reporting Person utilized his personal funds in acquiring the Ordinary Shares reported in this Amendment No. 3.

Item 4. Purpose of Transaction.

The Reporting Person has acquired the Ordinary Shares reported herein for investment purposes only. The Reporting Person may, from time to time, based on various factors, acquire additional Ordinary Shares of the Issuer or sell Ordinary Shares, on the open market or in privately negotiated transactions.

Except as described above, as of the filing of this Amendment No. 3, the Reporting Person does not have any definitive plans or proposals which relate to or would result in any of the following: (a) the acquisition by the Reporting Person of additional Ordinary Shares (except for an additional 686,000 Ordinary Shares that may be issued to the Reporting Person upon exercise of warrants held by the Reporting Person that have not yet been exercised, which Ordinary Shares are already included in his beneficial ownership), or the disposition of Ordinary Shares that he holds; (b) an extraordinary corporate transaction, such as a merger, reorganization or liquidation, involving the Issuer or any of its subsidiaries; (c) a sale or transfer of a material amount of assets of the Issuer or any of its subsidiaries; (d) a change in the present board of directors or management of the Issuer, including any plan or proposal to change the number or term of directors or to fill any existing vacancies on the board; (e) a material change in the present capitalization or dividend policy of the Issuer; (f) any other material change in the Issuer's business or corporate structure; (g) changes in the Issuer's memorandum of association or articles of association or other actions which may impede the acquisition of control of the Issuer by any person; (h) causing the ADSs to be delisted from the NASDAQ Capital Market or any other national securities exchange on which they may be listed in the future, or to cease to be authorized to be quoted in any inter-dealer quotation system of a registered national securities association in which they may be quoted in the future; (i) causing the ADSs to become eligible for termination of registration pursuant to Section 12(g)(4) of the Securities Exchange Act of 1934, as amended; or (j) any action similar to any of those enumerated above.

Item 5. Interest in Securities of the Issuer.

All calculations of beneficial ownership percentage in this Amendment No. 3 are made on the basis of 5,370,829 Ordinary Shares issued and outstanding as of October 31, 2019 (which number was reported by the Issuer in its Report of Foreign Private Issuer on Form 6-K, furnished to the Securities and Exchange Commission (the "SEC") on October 31, 2019), as adjusted to reflect the potential issuance of additional Ordinary Shares pursuant to the exercise of warrants held by the Reporting Person as described in paragraph (a) below.

(b) The Reporting Person possesses sole power to vote and direct the vote, and sole power to dispose or to direct the disposition of, all of the Ordinary Shares that he currently beneficially owns.

(c) During the 60 days preceding the date of this Amendment No. 3, the Reporting Person effected, on October 27, 2019, the acquisition of Ordinary Shares (which was effected in Ordinary Shares represented by ADSs) and warrants to purchase Ordinary Shares, as described in Item 1 above.

The exercise price for 186,000 of those 686,000 underlying Ordinary Shares was reduced to \$4.00 per share from 40 New Israeli Shekels (approximately US \$11.50) per share based on the approval of the shareholders of the Issuer on October 27, 2019.
